

# You said, we did

## 2023- 2024

*Parents and children waiting on the pavement before school is cramped and unsafe.*

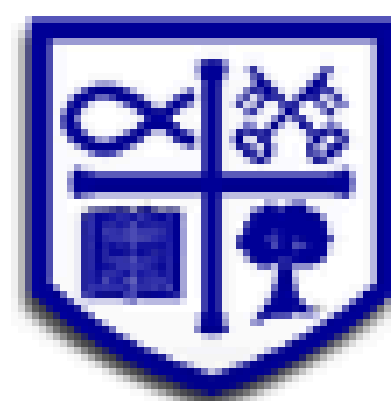

We removed a wall to create a new entrance, providing extra space and enabling people to wait on the school grounds at the start and end of the school day - much safer than waiting on the pavement!

*Parents would like to see more after school sports clubs and opportunities for matches for all children, not just the ones who are the best at sports.*

We have increased the number and variety of after school sports events on offer and included the intent behind each event on the weekly newsletter.

*Parents would like to see more use of the school grounds and woodland for all children.*

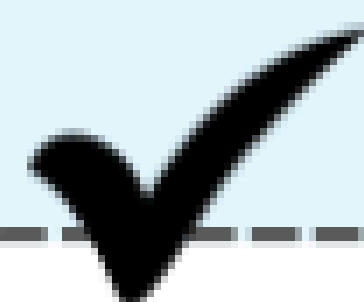

We agree! From September, Miss Cross, our Forest School Lead, will be providing Forest School sessions for every class across school

# You said, we did 2023- 2024

*I'm not sure what my child will be learning throughout the year.*

We have now included a Curriculum Overview for the year to come within each child's end of year report.

*Would school be able to offer a breakfast club?*

We will be looking into the setting up of an Early Bird drop off at some point in the Autumn Term.
