NEWS

Worship

Thank you to Kingfishers and Herons classes who have led us in worship recently. They have spoken beautifully about the church's mission (Matthew 28) and our school mission to 'Love and Value All' including how we might show this.

We have also had the first few of our 'Fellowship Fridays' in which parents of children in a class are invited to join them for prayer and reflection activities on a Friday afternoon. Thank you to

all the parents who have been able to join us so far.

Sports News

Year 4 and 5 Cricket: Well done to the fabulous Year 4 & 5 children who attended the Ribble Valley cricket event last week! It was the first time many of them had played this sport, and they absolutely loved learning something new and competing. They played brilliantly all day and did themselves and our school very proud.

Year 5 and 6 Rugby Tournament: We had a wonderful group of Year 5 and 6 children attend the rugby tournament at Blackburn Rugby Club. It was our first time taking part in this event, and the children were extremely proud to have won every single one of their matches! They demonstrated excellent attitudes, strong teamwork and great determination throughout.

Year 3 and 4 Girls' Football: Well done to this fantastic group of Year 3 and 4 girls who attended the football festival! For many of them it was their first time playing, and they showed determination and tried their very best throughout, representing our school brilliantly. Most importantly, they enjoyed every minute! Well done, girls!

Year 5 and 6 Bee Stingers Netball: We are so proud of this amazing group of girls! It was only their second match together, and they showed incredible teamwork and determination throughout. You should all be very proud of yourselves – well done team!

This amazing group of Year 1 and 2 children showed fantastic determination, team work & skill in the Ribble Valley Animal Olympics event. They behaved impeccably, and they enthusiastically took part in a range of events which tested their balance, throwing, running & jumping skills. Well done, team!

ECO Club NEWSLETTER

May 2026 - 4

Eco Club Action

Following the Great Big School Clean Up, our Eco Club members led whole-school worship. They highlighted the importance of taking better care of equipment, both indoors and outdoors, and encouraged everyone to consider the environmental impact when such items are thrown away and end up in landfill. Following this, all the children created posters for display around the school to encourage and remind everyone to Look after my school and environment.

News!

Eco Club have planted wildflower seeds and other flowers in our school raised bed to boost biodiversity by providing vital food for pollinators such as bees and butterflies.

REMINDERS

Changeable Weather

In this strange weather of the summer term, please make sure your child is prepared. Please remember to send your child into school with a cap or **sunhat**, a **full water bottle** and wearing **sunscreen** each day so they are protected at playtimes. As we never know what the weather will do, please also send your child to school with a **raincoat** in case of showers! Every class has water bottle carriers so that on hot lunchtimes children can have their water outside as well. Please be reminded that only water is allowed in classrooms.

Inconsiderate parking

Can we please remind all parents / carers that parking is **NOT ALLOWED** on the Community Centre car park. The Community Centre is private land, as is the road leading to the Community Centre.

Could we also ask that you park considerately when parking on or near Petre Wood Crescent. We have had a number of complaints from residents saying that inconsiderate parking often blocks driveways and the entrance onto the estate. It has also been reported that the manner in which residents have been spoken to when asking for parents to move their cars is totally unacceptable. Please remember that manners cost nothing and unacceptable behaviour can be a reflection on the school.

Thank you.
