Worship

Our worships this week have focussed on the season of Advent and preparations for Jesus' birth.

In Church on Friday, Herons led a wonderful worship in celebration of our school. We learned all about how different our school would have been 150 years ago. Mrs Lindley shared stories from former pupils about their time at St Leonard's.

150 years of Langho and Billington St Leonard's CE School!

We had an amazing Victorian day to celebrate! Thank you all for such an amazing response - the children learned about how they are also part of the history of the school and loved it!

Bauble Competition

Well done to everybody who designed baubles for our school tree at the Christmas Tree Festival. Mrs Glover from Flavours Cookery School had a very difficult time choosing winners as there were so many amazing designs.

Thank you very much to Flavours for providing the prizes and vouchers for everyone who entered.

Headlice!

We've had a few cases of headlice in school this week. Please could you check your child's hair and treat if needed. Many thanks!

Football News

Our intrepid B team was in action on Monday night. They played five games, winning two and drawing one with two losses.

The team showed amazing spirit and sportsmanship and we were very proud of you all.

A special mention goes to Phoebe for her absolutely amazing goal!

Cathedral Concert

On Friday 13th December year 6 and our school choir will be performing a lunchtime Carol Service at Blackburn Cathedral. The concert begins at 1pm and everyone is warmly invited to join us.

Film Night

Thank you to everyone who supported our film night last Friday, particularly the staff who volunteered to stay and supervise the children. We raised a whopping £780.

Christmas Jumper and Christmas Lunch

On Wednesday 18th December, we will be having our annual Christmas Jumper day and Christmas lunch. Mandy in the kitchen is very excited to be preparing roast turkey with all the trimmings ready for our children to enjoy with Christmas crackers and music! There will also be a vegetarian option (quorn).

Children who usually have packed lunches are invited to have a Christmas Lunch as a 'one off' if you would like them to have one. If not, bringing packed lunch as usual is fine. This is at a cost of £2.65 which will appear on Parentpay.

Children can wear anything Christmassy on that day or own clothes - it does not matter whether they have uniform underneath or not. We are not fussy and just want all children to have a nice day.

| Important Update – Changes to Education-related Penalty Notices

Information for Parents

You may be aware that the Department for Education has recently announced national changes to penalty notices issued for unauthorised absence in term time. These changes will come into effect on 19 August 2024.

The changes to be aware of are:

- Penalty notices issued for offences that take place after 19 August 2024 will be charged at a new rate of £160 per parent per child. This can be paid at £80 if paid within 21 days.
- Any second penalty notice issued to the same parent for the same child within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days with no option for a discounted rate.
- The threshold at which a penalty notice **must** be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period¹. This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or school years.
- A maximum of 2 penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).
- Only penalty notices issued for absences taking place after 19 August 2024 will count towards the above thresholds.

Absences can have a lasting effect on learning

Missing a week of school means your child will miss around 25 hours of learning

This creates gaps in their knowledge and could mean they will not meet their full potential

¹ A school week is any week in which a school meets at least once.

Reading and Reading Record Books

From babies to children in their early years and all the way through to early teens, reading brings profound and wide-ranging benefits that can have a lifelong positive impact on children's lives. Children who read: are more likely to overcome disadvantages caused by inequalities; are more likely to be happier, healthier and experience better mental wellbeing and self-esteem; are more likely to do better at school and make more progress across the curriculum and are more likely to develop empathy and creativity.

Shared reading creates opportunities for joint attention and emotional closeness between a child and their parent or carer. It is also a wonderful way to be involved in your child's education and development.

Reading is important to us at St Leonard's and is really important that children read, not only at school but at home as well. With this in mind, please could all parents and carers ensure that children read at home daily. When your child has read at home, please initial their reading record book so that we can see how regularly they are reading at home.

Please ensure that your child's reading book and reading record book are in school with them every day as teachers will be using and checking them regularly.

Parents with Prams

If you are bringing or collecting a child in Reception, Year 1 or Year 2, and you have a pram with you, please wait at the double white doors near the ramp that goes into the hall. In the morning, there will be a member of staff to ensure that your child reaches their classroom and at the end of the school day, staff will bring your child to you as soon as they are able.

Crossing Patrol

Unfortunately there will be no crossing patrol attendant for the foreseeable future. Please take extra care when using pavements and crossing over the road outside school and drive with extra consideration.

If anyone is interested in taking over this position, please contact Mr Simmons on 07831 309599.

If your child uses the crossing after school, please make sure they know that they are able to ask a member of staff in school or the office to assist them crossing the road.

Considerate and careful parking and driving

It has been witnessed by staff and reported to us by other parents that cars are stopping in the middle of the road outside of school to allow parents / carers / children to get out of cars resulting in cars being held up.

We realise that at times the school run and finding a parking space can be stressful - however please can we ask that when parking, dropping off, collecting and driving around school that all drivers are considerate and kind and respectful to each other as role models to our children.

We are very lucky to be able to use the top car park at Mytton Fold - please use this space as we have been asked not to use the community centre car park unless you are accessing Coolkidz.

Appointments during school hours

Can we please request that routine appointments, i.e. dentist, doctors, opticians etc, be made for outside of school hours where at all possible. Evidence of the appointment, e.g. a letter, appointment card or email, should be provided if this is unavoidable during school hours. Thank you for your support with this.

Holidays in term time

We have had a very large number of holiday requests for holidays to be taken in term time. We would like to stress the importance of not taking children out of school for holidays.

Please note that without at least 2 weeks prior notice and for all absence requests of more than 5 days (10 sessions) in a term or 7 days (14 sessions) over 2 consecutive terms, results in fines being issued from the Local Authority. This fine is currently £120 per child per parent (Including step parents) but is increasing in August 2024 to £160 per child per parent (Including step parents).

Little Lennie's Nursery

If you have a child born in April 2024 onwards and you would like a place in Little Lennie's Pre-school from September 2027 onwards, could you please contact Mrs Bolton in the school office.

Little Lennie's is proving to be extremely popular and we are full with waiting lists for both 2024/25 and 2025/26 intakes. We are already taking bookings for 2026/27 and even 2027/28!

Nut Free School

Please remember to be careful when packing children's lunches and snacks sent into school. Products containing any type of **nuts are not allowed** due to children with nut allergies in school. Kinder Bueno and Nutella snacks contain hazelnuts - please leave these at home.

Many thanks for your cooperation

Named Items PLEASE HELP!

Children take off cardigans and jumpers and leave them around school or the playground, if they are not named then it is almost impossible to reunite them with the correct owner. **Please** ensure that **ALL** items belonging to your child are clearly named **using a ball point pen in the label** (including coats, and lunch bags/boxes) to ensure that any mislaid items can be promptly returned. Thank you.

There is an awful lot of lost property accumulation again - please check under the canopy (KS2) or outside of Eagles classroom (KS1) at the end of each school day if you have lost something.

Absence and Lateness

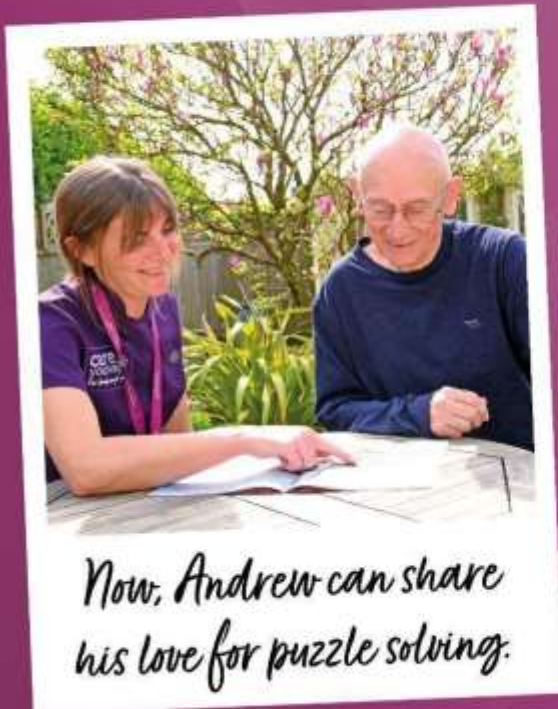

This is a further reminder that the School day begins at 8:55am. The gates are now open from **8:40am and shut at 8:55am**. Please do your best to get children to school for 8.40am, when the gates open. Once the gate is shut, please take your children to the office through the main school entrance.

To safeguard all of our children effectively, ALL CHILDREN arriving after the gates are shut MUST BE SIGNED IN BY THEIR ADULT at the front office.
