This week's Christian Value...

Dear Parents and Carers,

It has been wonderful to start the half-term with all the new exciting opportunities to learn and grow. Some of our Year 6 children have begun a very special journey as they prepare for their Confirmation in April. In Worship we prayed for these children on this important step in their lives. On Tuesday we were treated to children proudly wearing their uniforms for Scouting or GirlGuiding, as we marked 'World Thinking Day'. Next week sees the start of Lent and we hope that parents and family members will be able to join us in church on Wednesday for the Ashes Service which will be led by some children from Year 2. Next week is also Parent/Carers' Evening, which is a great opportunity to consult with your child's

teacher and to celebrate all your child's hard work and progress. Please use the link below to book your appointment if you have not already. Please also see below for our class web pages which, going forward, will include our weekly class updates instead of adding them onto the newsletter. You will also find this half-term's learning summary on your child's class webpage.

Please see below for important news and of course our Stars of the Week!

Wishing you all a wonderful weekend!

Mrs Lindley

Online safety

Please remember to monitor your child's online activity regularly and check out these excellent resources to keep your child safe online!

World Book Day

As you may be aware next Thursday (3rd March) is World Book Day and we will be celebrating this day with a range of activities in class throughout the day. We understand that parents can feel undue pressure to buy the latest costumes, this year we want to avoid this so we are offering a choice, if you already have a costume or have created one together then please wear this however alternatively please send your child in their cosy clothes (pyjamas, dressing gown, slippers etc) ready to 'snuggle down with a good book'.

Parents' Evenings

If you have not already booked an appointment, please use the link below or on the front page of our school website. If you are having difficulty, please contact the school office staff who will be able to assist you.

Cold weather

Please see our Severe and Adverse Weather Plan document on the front page of the school website that explains everything you need to know about arrangements and procedures that will be followed should school be affected. Please also ensure your child has a warm coat and hat for playtimes every day.

Lent Charity

Nightsafe is a local charity working with young people who are homeless or are at risk of homelessness and provide accommodation, day centres, information, advice and guidance as well as helping with emergency needs to empower young people to play a positive part in their local

community. This year we have chosen to collect donations throughout the period of Lent to this wonderful local charity. Information will come home next week with the children, explaining how they can help.

Science Week!

This year we will be celebrating British Science Week by having an enrichment week full of exciting Scientific learning and adventure.

More information will follow shortly explaining what will be happening in school and when.
