

Langho and Billington St. Leonard's Church of England Primary School

Headteacher: Mrs Dawn Lindley B.Sc (Hons) QTS CofEPQH

WEEKLY NEWSLETTER Friday 11th March 2022

Please follow us on Twitter **@LanghoStLeonard** – for regular updates, news and notices. You can also see more information about us on our school website: **www.langho-st-leonards.lancs.sch.uk**

Dear Parents and Carers,

It has been another exciting week at St. Leonard's and the children have really enjoyed all the sunshine earlier in the week. We are excited for Science Week next week which will involve lots of different inspiring activities. Our children continue to amaze us everyday! We have hosted a few visitors this week who have all been so impressed with the children's knowledge, engagement and enthusiasm. We have had a very successful launch of our Play Leaders at lunchtimes, giving our Year 6 children more opportunities to be role models to the younger children by leading games and supporting them to play positively. It was a big step for Little Lennies this week who joined us for the first time in Friday's Worship. They were so grown up and sat so beautifully. We are very proud of all of our children. Please see below for our class web pages which include our weekly class updates instead of adding them onto the newsletter. You will also find this half-term's learning summary on your child's class webpage.

Please see below for important news and of course our Stars of the Week!
Wishing you all a wonderful weekend!

Mrs Lindley

Lent Appeal run by our School Council

Last week the children brought home a letter from the School Council, explaining how we as a school intend to support our neighbours both locally and globally. The children are all looking forward to raising money by doing jobs at home, and making their money box houses from the template attached to the letter.

Please help us to support our chosen charities who are both involved in helping people who have found themselves homeless both locally and further away in the Ukraine.

Science Week!

This year we will be celebrating British Science Week by having an enrichment week full of exciting Scientific learning and adventure. We will be hosting some visitors from St. Mary's Langho to work on STEM activities with some of our Year 5 and 6 children.

Infant Educational Visit

On Tuesday 15th March, our Reception, Year 1 and Year 2 children will be going to *Imagine That!* as part of their Science week. A reminder that they do not need to bring anything apart from their coat and they are to wear their school uniform. They will have a wonderful time exploring all that there is!

STEM Challenge! - Remember to bring your boats in on Monday!

This year's STEM challenge is to create a cardboard boat. This is something that can be done at home with help from an adult.

If your child would like to take part, you have until **Monday 14th March** to get creative. More details about our STEM challenge can be found on our school website

<https://www.langho-st-leonards.lancs.sch.uk/learning/curriculum/stem>

We would love to see any finished cardboard boats and we will display them in school on 14th March.

Happy inventing!

Hop, Skip and Jump! 31st March 2022

The children have brought home a letter tonight about our Easter fundraising activity in support of East Lancashire Hospice. For a donation of £2 every child will receive bunny ears and complete a Hop, Skip and Jump trail around our woodland, with a chocolate egg treat at the end. For those who wish to raise more, there is also the opportunity to collect sponsors for the event in addition.

This Week's Attendance

(Covid absence discounted)

	Class	% Attendance this week
	Hérons	99.4
	Owls	98.1
	Falcons	97.8
