

Langho and Billington St. Leonard's Church of England Primary School

Headteacher: Mrs Dawn Lindley B.Sc (Hons) QTS CofEPQH

WEEKLY NEWSLETTER Friday 18th March 2022

Please follow us on Twitter **@LanghoStLeonard** – for regular updates, news and notices. You can also see more information about us on our school website: **www.langho-st-leonards.lancs.sch.uk**

Dear Parents and Carers,

What a busy and enjoyable week we have had! All children have had a super focus on Science for British Science Week 2022. Children from every class enjoyed developing their scientific enquiry skills and we are launching Science Ambassadors from each class who will lead the way in all things STEM in the future!

Reception, Year 1 and Year 2 children had a wonderful time on Tuesday when we visited 'Imagine That!'. The slime, car painting and the making of snow were definite highlights. The children were beautifully behaved and represented our school with pride. Thank you to our staff and volunteers who worked so hard to make it a such memorable day for the children, and to our parents for your lovely feedback.

Congratulations to all those who made an amazing boat for this week's STEM challenge- they looked fabulous. We hosted children and staff from St Mary's RC School, who came along to join in the fun. Please follow this link on our website. <https://www.langho-st-leonards.lancs.sch.uk/learning/curriculum/stem>

Our Year 6 children on the Confirmation programme have continued to spend time with our Parishioners this week and it is so delightful to see the burgeoning friendships in our community. We continue to see such enthusiasm in lessons and the children are working hard to master key concepts and knowledge. We're very proud of all of our successes as a school.

Please see below for our class web pages which include our weekly class updates instead of adding them onto the newsletter. You will also find this half-term's learning summary on your child's class webpage.

Please see below for our Stars of the Week!
Wishing you all a wonderful weekend!

Mrs Lindley

Please remember to encourage your children to do jobs to raise money at home, and make their money box houses from the template attached to the letter we sent home. Please help us to support our chosen charities who are both involved in helping people who have found themselves homeless both locally and further away in the Ukraine.

Whole-School STEM Challenge

Thank you for getting involved in our second whole-school STEM challenge. It was great to hear that you worked at home as a family to design and make your boats. The cardboard boats were showcased in the hall on Monday 14th March. Our St. Leonard's STEM Ambassadors welcomed some pupils from St. Mary's Roman Catholic Primary School and they worked as a team to evaluate your boats. We were amazed by the quality of the products and delighted that so many of you took part. To find out more, please take a look on our school website.

Year 3 and 4 Easter Praise Worship

Year 3 and 4 have been working hard to prepare to lead us in an Easter worship in the last week of term. They have been learning songs and words to retell the story of Holy Week. Next week we will communicate with parents about arrangements for coming to watch in Church. The children look forward to sharing this with you!

Hop, Skip and Jump! 31st March 2022

For a donation of £2 every child will receive bunny ears and complete a Hop, Skip and Jump trail around our woodland, with a chocolate egg treat at the end. For those who wish to raise more, there is also the opportunity to collect sponsors for the event in addition. Please see the letter brought home by the children last week.

This Week's Attendance

(Covid absence discounted)

	Class	% Attendance this week
	Swifts	99.6
	Falcons	99.2
	Robins	98.6
