Dear Parents and Carers,

THE PARABLE

OF THE SOWER

OR THE PARABLE OF THE FOUR TYPES OF SOIL

Thank you everyone for your continued support during another busy week in school. We have been discussing flourishing this week, stemming from our Worship on Monday on the Parable of the Sower. On Tuesday, Mrs Cross then gave every class Sunflower seeds to grow and look after as a reminder that we must be like the good soil and let the goodness grow :)

On Thursday, Year 5 had a wonderful time at 'Let's Go Sing!' when they performed at Ewood Park with thousands of children from other Lancashire and Blackburn with Darwen schools. They behaved impeccably and made us all very proud. We were delighted to see so many parents supporting and everyone had a great time! This week we have also been so proud of two of our KS2 children who have been walking 6km everyday to raise money for charity. By Monday this week they had raised enough to feed 35 families in

Yemen and 35 families in Pakistan as well as installing 6 hand water pumps. What an amazing example of helping others! Well done Raihan and Zayn! Our buddies continue to help the younger children at play times and it is great to see them all forming new friendships. We have also had some of our year 6 children making a difference in leading lunchtime football groups. It is such a pleasure to see our children flourish in so many different ways.

Happy Eid-al-Fitr!

Wishing all our Muslim families a wonderful upcoming Eid celebration early next week. We hope that you are all able to enjoy this wonderful, important and joyful time with families and friends.

Please see below for our class web page links, which include our weekly class updates and this half-term's learning summary.

Wishing you all a happy Bank Holiday weekend, and we look forward to welcoming everyone back to school on Tuesday morning at 8.45am.

Dental Epidemiology

Next Friday, 5-year olds will be offered a dental check. Permission slips have been sent home and more information via school comms. This is only for children who are 5 years old on Friday 6th May hence not every child in Reception or Year 1 being eligible. Please return the consent forms to your child's class teacher or the school office.

Borwick Hall Y6

Please note that the remaining monies for Borwick Hall are due on Monday. Please contact the school office for any further help or information regarding this. We will be in touch next week with some further information about the trip, in readiness for our Borwick Hall Residential Parent/Carer evening on Monday 16th May.

A Polite Reminder

The excellent, mutually supportive relationships we enjoy with our parents and carers, here at St Leonard's, is highly valued by all. Please could parents and carers be politely reminded to always be respectful towards staff during any interaction, and that it is never acceptable in any circumstance to be rude, confrontational nor aggressive towards staff at any time. Our staff code of conduct ensures that everyone is afforded that same level of respect from our staff members.

We are here to listen to, support and help to resolve any issues that may arise at any time, as quickly as we can. Can I please urge you to discuss anything you are concerned or worried about as soon as things arise, so that any issue can be sorted out quickly and effectively. Making an appointment to speak to staff is often the best way to do this rather than catching someone at the end of the school day, when staff are focussing on the safe dismissal of every child within their care, and may not be able to give the conversation the attention it deserves.

Thank you for your support and understanding, as we work together to provide the best possible service for our children and their families.
