Dear Parents and Carers,

The children continue to achieve wonderful things inside and outside of school! Well done to two of our children Izzy and Poppy, who organised, promoted and staffed a fundraising event to support the people of Ukraine via the charity Unicef and raised over £100! Please see below for details. We have also enjoyed hearing from our children about their exciting Eid celebrations. We hope a wonderful time was had by all! Year 6 children (and staff!) have been working hard to prepare for SATs next week and we are so proud of all of them. We look forward to welcoming Year 6 into a special breakfast club in the mornings to help settle and enjoy spending time as a cohort as they move towards transitioning to high school.

Please see below for our class web page links, which include our weekly class updates and this half-term's learning summary.

Wishing you all a happy weekend,

Mrs Lindley

Borwick Hall Residential Y6

This week we sent out the kit list and we have our information evening on Monday 16th May for Parents/Carers at 6pm. Please note that the remaining monies for Borwick Hall were due on Monday 2nd May. Please contact the school office for any further help or information regarding this.

Baby News!

Congratulations to Mrs Fryer and her family. Mrs Fryer has welcomed into the world a new baby boy called Charles! Mum and baby are doing well.

Unicef - Ukraine

Poppy and Izzy spent last weekend planning a bake sale to raise money for Unicef. They made plans, created marketing material, a menu and a price list. The girls spent 4 days baking their cakes with no help from any adults (apart from help with the oven!).

They set up their stall and after some marketing on Facebook, sold out of nearly all of their 100 cakes! Poppy and Izzy made £100 from the sale of their cakes and donated this amount to Unicef.

This is a fantastic achievement and one that Izzy and Poppy should be very proud of ... we are certainly proud of them!

Thank you so much for choosing to give a single gift of £100.00 to Unicef. It will go towards funding UNICEF's work to protect children affected by the conflict in Ukraine.

Little Wandle Reading Books

We are making a polite request that all Little Wandle reading books are **returned in a good condition each Thursday** morning when your child comes into school. As a school we prioritise reading and have purchased these resources to be used to help support all children learning to read. If books are not returned then your child is missing out on vital practice and there may not be enough books for the next group who are going to read them. Thank you for your support.
