Dear Parents and Carers,

We could not be any prouder of our Year 6 children who have done their very best this week in approaching their SATs tests. They have all worked so hard and concentrated so well throughout, demonstrating resilience and taing everything in their stride. It was wonderful to be able to give them a treat today, to reward them for all their hard work and we look forward to all the fun and exciting opportunities on offer during the last half term of primary school.

This week we have also celebrated the Commonwealth Games which are happening in Birmingham this summer. The Hyndburn and Ribble Valley Sports Partnership Baton has been on a journey around local schools and St Leonard's received it yesterday afternoon. Year 6 welcomed in children from Read and then toured it around the whole school so that every child could hold it and be part of the celebrations. This morning a few of our children then carried it on to St. Mary's Osbaldeston where it will continue the journey.

Please see below for our class web page links, which include our weekly class updates and this half-term's learning summary.

Wishing you all a happy weekend,

Mrs Lindley

### **Parking**

We would like to thank the majority of our parents who park respectfully and responsibly when dropping off and collecting children each day. We would like to remind you of the importance of parking carefully so as not to cause an obstruction or to cause anyone to have to walk in the road because the pavement is blocked. Also, parents are not permitted to park in the church car park unless through prior arrangement with the school and parish for specific needs.

## Borwick Hall Residential Y6

We look forward to welcoming our Year 6 parents to the Borwick Residential information evening on Monday 16th May at 6pm in the school hall.

## Little Wandle Reading Books

We are making a polite request that all Little Wandle Big Cat reading books are **returned in a good condition each Thursday** morning when your child comes into school. As a school we prioritise reading and have purchased these resources to be used to help support all children learning to read. If books are not returned then your child is missing out on vital practice and there may not be enough books for the next group who are going to read them. Thank you for your support.
